A special lecture session was organised by the Department of Education on 12th March, 2022. Considering the importance of research in higher education the theme of the lecture was chosen as “Research Methodology” and the target group was the students of B.A. 3rd year. Kuhelee Das, an alumnae of Birjhora Kanya Mahavidyalaya and presently working as Assistant Prof., Department of Sociology, Dibrugarh University was invited as the resource person. Before the beginning of the session the resource person was welcomed by the HOD, Dr. Subhadra Das Baro with a Fulam Gamosha. Miss Kuhelee explained very lucidly the different steps of research methodology. She spoke about the need of studying research methodology for conducting quality research. She also explained the qualitative and quantitative research with examples. The lecture was very informative and enlightening for the students. The students participated actively and cleared their doubts during the interactive session.

The faculty members of different departments were also present in the programme. The programme ended with a vote of thanks by Dr. Kalpana Kalita Das.
