## Principal's Message :

*No country can ever truly flourish if it stifles the potential of its women and deprives itself of the contributions of half of its citizens.*

- MICHELLE OBAMA

Education is the fundamental human right that should be accessible to all gender or sexes. Education is viewed as a necessity but yet millions of women are deprived of education due to poverty, social stigma, discriminations, lack of resources and many other such reasons. If a society

has to progress, it must educate its women. Understanding this, a like minded group of philanthropists planned for an institution of higher education solely for women. Thus, a group of educationally conscious people came forward and together sprouted a dream as Birjhora Kanya Mahavidyalaya. Thus, Birjhora Kanya Mahavidyalaya, was established in 1993, at the heart of Bongaigaon town. The college which started its journey with only 50 students and 7 teachers has today grown into an institute for excellence with more than 1500 students. The college was accorded affiliation by Gauhati University and concurrence by the Govt. of Assam from the session 1997-1998. The college is also recognised under 2F and 12B of UGC Act in 2019.

It is a matter of great pride that the college has been assessed and accredited by NAAC for the first time in 2023 and has been granted the grade B+ with a CGPA 2.71.

At present the college offers Higher Secondary course and Undergraduate Courses (Arts) both in Hpnours and Regular Courses of Gauhati University. The college also offers various courses such as B.A., B.M.C. etc. under K.K. Handiqui State Open University and IDOL.

Apart from these there is also provision of various skill development certificate courses by Entrepreneurship Development Cell and Add on courses by different departments which aims at training the students in different skills enhancing their employability.

The college Campus has an unique and ideal educational atmosphere for students and teachers for all round development. CCTVs are installed in both inside and outside of the classrooms for ensuring the safety and security of the students. The college campus is Wifi enabled with smart classrooms, automated Library, indoor and outdoor game facilities etc. which gives the students an ambience for all round development.

Since its inception the sole aim of the college has been to impart holistic and quality education to young women of this region through a wide range of scholastic and co-scholastic activities. Apart from providing the value based education synergized with modern teaching learning methods, we also focus on discovering and developing the inner abilities of the students to enable them to take the future challenges of the society. Having achieved the milestone of 30 years we with the help of our competent faculty members strive for greater heights and to render better service to the society.

I as the Principal of this college welcome you to Birjhora Kanya Mahavidyalaya, Bongaigaon.
